- RELATIONSHIPS

- In 2006, he got married with Alexia, the mother of his children. They have 3 children. Soprano's first daughter Inaya was born in 2007, His only son Lenny was born in 2009 and his younger daughter Luna was born in 2012.
- One of the most traumatizing things of his life happened when he was 16 years old: he had a child but his ex girlfriend gave him to the social services. Even now, he doesn't know who and where his son is.

- SOPRANO: A GOOD MAN

- He had a house built for his parents in the Comoros so that they could take care of his grandma.
- Unfortunately, his father recently died from the COVID-19.
- In 2018 he founded a charity: The Soprano Foundation, which helps Comorian people. First, they collected clothes for orphans and then the foundation bought an ambulance because in the Comoros the patients' transportation is quite problematic because of poverty.
- He's also a UNICEF ambassador. And he likes to visit and to fulfill the dream of sick children.

And you, what's your
opinion about Soprano?
